PLAY THE GAME

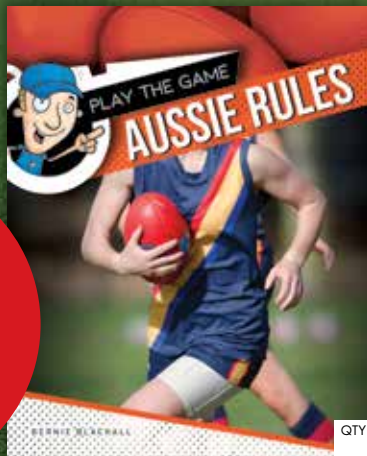

Each of the 20 books in the “Learn to Play Sports” Series provides an overview of the sport’s history, rules, equipment, key skills and pre-training warm-ups. They are designed to stimulate interest in the sport and inspire confidence and motivation so that children get out there and enjoy themselves on the court or field.

Droughts, floods, cyclones and bushfires have influenced Australia for thousands of years. Some native plants and animals have even adapted to the unavoidable recurrence of these destructive forces of nature. How is climate change affecting these cycles of nature, and how are Australia's farms, cities and bushland affected?

RAT

Rat is the biggest treasure hunter in Seavale. He collects and he sorts, he lists and he organises, and every day he wonders ... why do humans throw out so much junk? While no-one seems to notice the possibilities that are all about, clever Rat's great creation might just show the humans what's really worth treasuring.

AUTHOR BIO

Lucy was recruited by Taronga Zoo in 2004 to help with the importation of five Asian elephants from Thailand. The elephants thrived at Taronga Zoo. She famously had a near-fatal accident involving one of the young elephants in her care while working in Sydney. This hasn't stopped Lucy, elephants have been the main focus and passion of her professional life. After working with two very special elephants, named Tukta and Jai Dee, Lucy realised that their story had to be told.
